Widemouth: Privacy Policy

Privacy Policy for Widemouth Apps

This privacy policy covers your use of software applications for iOS devices created by WidemouthNet.

Widemouth provide a range of utility and image editing apps.

What information do the Applications obtain and how is it used?

User Provided Information

MyDays provides access to the users contacts database, but does not store or transmit that data.

Allowabank and Bludget locally store user generated transactions for use within the app. This is only accessible via the app or the user can send reports via email.

Image processing apps store images locally within the app for caching or if provided by the app, later access by the user. The user can choose to upload to social media or send images as texts or emails.

Automatically Collected Data

The Application may collect some data automatically, including, but not limited to, the type of Apple device

you use, your Apple devices unique device ID, the IP address of your Apple device, your operating system, the type of Internet browsers you use, and information about the way you use the Application. In order to provide continuous improvement, the Application uses the crash reporting service Crashlytics. By agreeing with this privacy policy you also agree with the privacy policy of the Crashlytics service. The Crashlytics privacy policy can be found at the following address: http://try.crashlytics.com/terms/privacy-policy.pdf . In order to provide continuous improvement, the Application uses the analytics service Answers. By agreeing with this privacy policy you also agree with the privacy policy of the Answers service. For more information about the data collected by the Answers service, please refer to the Answers privacy policy under the following address: https://answers.io/img/privacy.pdf

Do the Applications collect precise real time location information of the apple device?
No.

Do third parties see and/or have access to information obtained by the Applications?

Users can choose to send data via social media, email or message, as the application allows.
Otherwise only aggregated, anonymised data is periodically transmitted to external services to help us improve our applications. This data is automatically sent to the crash reporting service Crashlytics. In addition, the applications periodically transmit data to the Answers analytics service. For more information about the data collected by this service, please refer to the Answers privacy policy here: https://answers.io/img/privacy.pdf

We will only share your information with third parties as described in this privacy statement. We may disclose User Provided and Automatically Collected Data: - as required by law, such as to comply with a subpoena, or similar legal process; - when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request; - with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement. - if the Application is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via a prominent notice on our Web site of any change in ownership or uses of this

information, as well as any choices you may have regarding this information.

How can I opt-out?

You can stop all data collection by any Application easily by uninstalling the Application.

Data Retention Policy, Managing Your Information

We do not retain any User Provided Data or automatically collected information. If you would like the information collected by Crashlytics crash reporting service to be deleted, please refer to the Crashlytics privacy policy here: http://try.crashlytics.com/terms/privacy-policy.pdf. If you would like the information collected by the Answers analytics service to be deleted, please refer to the Answers privacy policy here: https://answers.io/img/privacy.pdf

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 13.

Security

We are concerned about safeguarding your data privacy. Please be aware that, although we endeavour to provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches. For more information related to the security of the information collected by

the Crashlytics crash reporting service, please refer to the Crashlytics privacy policy here: http://try.crashlytics.com/terms/privacy-policy.pdf. For more information related to the security of the information collected by the Answers analytics service, please refer to the Answers privacy policy here: https://answers.io/img/privacy.pdf

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to us using the collected information as described in this Privacy Policy.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at support@widemouth.net.
